

DIGITAL INCLUSION Champions in Europe

DICE aims to:

- help **people with disabilities** build the **digital literacy skills** needed to transition from VET centre training to **mainstream education and employment**,
- by creating an **online community** based on a **peer support** model,
- promoted and sustained by **Digital Inclusion Champions**.

Target groups:

- People with disabilities
- VET digital skills trainers
- Mainstream educators
- Employers

Start date: 01/10/2013

Duration: 24 months
